

Cardi-OH Update

Season's Greetings!

The Ohio Cardiovascular & Diabetes Health Collaborative (Cardi-OH) is a statewide initiative of health care professionals who share knowledge to improve Medicaid patient outcomes and eliminate health disparities across Ohio.

Limited Spots Available

Spring 2022 TeleECHO Clinic
*Weight Management and Behavior Change:
Cases and Discussions*

January 27 to April 14, 2022
Thursdays, 8 - 9 a.m.

No cost CMEs offered.

Cardi-OH has partnered with Project ECHO[®] to support primary care providers to safely and effectively treat cardiovascular disease and diabetes.

Using simple video conferencing technology and case-based learning, **Cardi-OH ECHO** creates a unique partnership between community health care providers and a team of multidisciplinary specialists from Ohio's leading medical centers.
